ABOUT

Bakor is a small village in Mahisagar District of Eastern Gujarat. This rolling country side with the Aravalli Hills dotting the horizon is blessed with good forest, bird life and tribal culture. It is an ideal location for experiencing the great outdoors. The forest of Bakor is home to a number of animals such as Nilgai, Chinkara, Hyena and Jackal. Abundant bird life includes Indian Pitta, Paradise Flycatcher, Painted Partridge, Great Horned Owl and Grey Hornbill among others.
